

## THE DEJOHN GROUP, LLC

### CAPABILITY STATEMENT:

The DeJohn Group, LLC is a Human Resource Development (HRD) firm specializing in **consulting** and **training**. Our services promote improvement and optimization through people, performance, production, and processes. Established in 2007, our consulting and training focuses on development of **people** through **transition management, strategic management, work group management, executive management, and relationship management** in support of **safety, responsibility and accountability**. We focus on outcomes which leverage success capitalizing on human potential. We are in the people business because people **are** our business; therefore, we employ consulting and training to achieve desired outcomes. The DeJohn Group, LLC is an economically disadvantaged woman-owned, small disadvantaged, minority-owned, Texas HUB certified business with clients in government agencies, non-profit organizations, and small to medium sized businesses.
